# Seachem GarlicGuard

Product Description:
GarlicGuardâ„¢ is an appetite/flavor enhancer for freshwater and saltwater fish. GarlicGuardâ„¢ will help renew the interest of poor or finicky eaters. GarlicGuardâ„¢ contains the naturally derived, active ingredient found in garlic, allicin, which has been demonstrated to possess health promoting benefits. Allicin possesses strong anti-oxidant properties (similar to Vitamin C) which promote enhanced health through elimination of dangerous free radicals. For enhanced health benefits, GarlicGuardâ„¢ also contains Vitamin C. Freshwater and Marine. Reef safe.

Directions:
Shake well before use. Soak food in GarlicGuardâ„¢ before feeding. For enhanced effectiveness against Ich and other parasites use Seachem's Focusâ„¢ and Metronidazole as follows: Add 1 measure of Metronidazole to 1 measure of Focusâ„¢ per tablespoon of frozen food. Completely soak this food mix in GarlicGuardâ„¢, refrigerate, and feed once or twice daily for 1â€“2 weeks.Available Sizes: 250 ml, 500 ml, 2 L, 4 L, 20 L
