

## Aquavitro Fuel

 $\hat{A}$ 

fuelâ„¢ is a comprehensive carbohydrate, vitamin, amino acid, polyunsaturated fatty acid, and trace element supplement developed to address nutritional requirements commonly associated with corals. fuelâ„¢ contains ascorbic acid in a base of chlorella, which contains a rich assortment of amino acids and vitamins. The health benefits of chlorella are widely known and while spirulina, a similar algae, has been regularly used in the industry, aquavitrô„¢ is the first to utilize the vastly superior chlorella. fuelâ„¢ is formulated to provide nutrients available from natural tropical reef waters.

Chlorella is a unique algae that grows in fresh water. It is extremely high in enzymes, vitamins and minerals, including the full vitamin-B Complex. It is over-flowing with unsaturated fatty acids, amino acids, and proteins. There are also vitamins found in Chlorella including: Vitamin C, pro-vitamin A (B-carotene), thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin, pantothenic acid, folic acid, Vitamin B12, biotin, choline, Vitamin K, lipoic acid, and inositol. Minerals in Chlorella include: phosphorus, calcium, zinc, iodine, magnesium, iron, and copper. It contains a higher level of amino acids than spirulina and is FDA approved for use with ornamental fish. Directions

Shake well before using. Use one inner capful (7 ml) for every 110 L (30 gallons\*) twice a week or as required to maintain coral growth.

Note: each inner cap thread is approximately 2 mL. One full cap is 49 mL.

Refrigerate after opening.      Guranteed Anylisis

amounts per 1 gram		Vitamins		& Lipotropic Factors	
(min.	values)			Ascorbic Acid (Vitamin C)	5.0 mg
Thiamine (B1)	20 µg			Riboflavin (B2)	20 µg
Niacin (B3)	250 µg			Pantothenate (B5)	70 µg
Vitamin B12	70 µg			Choline (B4)	4 µg
Inositol	11 µg		Arginine	300 µg	
Glutamate	600 µg		Lysine	300 µg	Tyrosine
	190 µg		Polyunsaturated fatty acids	600 µg	
Minerals					
(min values)	µg		Boron	96 µg	
Iodine	180 µg		Iron	15 µg	Copper
1 µg		Zinc	5 µg		62 µg
		300 µg		Manganese	
Bromide				4 µg	
Molybdenum	15 µg		Vanadium	28 µg	
Nickel	0.4 µg				Rubidium
1 µg		Tin	0.2 µg		

Ingredients: chlorella, ascorbic acid, niacin, calcium pantothenate, riboflavin, thiamine, choline chloride, inositol, Vitamin B12, potassium iodide, manganese sulfate, sodium molybdate, ferrous sulfate, copper sulfate, zinc sulfate, cobalt sulfate, stannous chloride
