Hailea - 22 Series

•The product possess advanced air-compressing system, dampingsystem and multilevel muffler which is extremely low in noise.

•Adopt special artificial rubber to keep steady air output and pressure.

•The structure is reasonable and compact,it is long service life and acquiring best effect with lowest power consumption.

Model: ACO-2206 Product Description:

Power: 8WVoltage: 110/220V Frequency: 50/60HzPressure: >0.02Mpa Output: 2.5×4L/minNoise:

<40dBWeight: 1.25kg Size: 188×120×100mm Model:Â ACO-2208

Product Description:

Power: 25WVoltage: 110/220V Frequency: 50/60HzPressure:Â

30L/minNoise: <45dBWeight:Â 2.25kgSize:Â Â Â Â

>0.025Mpa Output:

221×156×125
