

## Seachem StressGuard

### Product Description:

StressGuard<sup>®</sup> is the premium slime coat protection product. StressGuard<sup>®</sup> will reduce stress and ammonia toxicity whenever handling or transporting fish. StressGuard<sup>®</sup> binds to exposed protein in wounds to promote healing of injured fish and to reduce the likelihood of primary and secondary infections. StressGuard<sup>®</sup> is compatible with all medications except those that are copper based. StressGuard<sup>®</sup> is not amine based and will not interfere with Purigen<sup>®</sup> or HyperSorb<sup>®</sup> regeneration. StressGuard<sup>®</sup> does not coat resins or clog filtration like competing "slime coat" type products can.

### Directions:

Use 1/2 " 1 capful (2.5 " 5 mL) to every 40 L (10 gallons\*) daily until signs of stress have abated or healing is complete. Dose may be safely doubled. Available Sizes: 50 ml, 100 ml, 250 ml, 500 ml, 2 L, 4 L, 20 L
