## Product Description:

StressGuardâ,,¢ is the premium slime coat protection product. StressGuardâ,,¢ will reduce stress and ammonia toxicity whenever handling or transporting fish. StressGuardâ,,¢ binds to exposed protein in wounds to promote healing of injured fish and to reduce the likelihood of primary and secondary infections. StressGuardâ,,¢ is compatible with all medications except those that are copper based. StressGuardâ,,¢ is not amine based and will not interfere with Purigenâ,,¢ or HyperSorbâ,,¢ regeneration. StressGuardâ,,¢ does not coat resins or clog filtration like competing "slime coat― type products can. Directions:

Use 1/2 – 1 capful (2.5 – 5 mL) to every 40 L (10 gallons\*) daily until signs of stress have abated or healing is complete. Dose may be safely doubled. Available Sizes: 50 ml, 100 ml, 250 ml, 500 ml, 2 L, 4 L, 20 L
