

Ocean Nutrition Frozen Formula Food - Spirulina Formula

Â Product Description To even further enhance the flavor and nutrition of our "Pure culture spirulina", we add fresh seafoods, extra vitamins, amino acids, and trace elements. The result is a unique product that will benefit all tropical fish - especially those which feed on algae as part or all of their natural diet. Â Ingredients

Spirulina, brine shrimp, squid, krill, mussel, gel binder, plankton, krill meat, krill hydrolysate, lecithin, fish oil, casein, astaxanthin. Vitamins: potassium ascorbate, beta-carotene, biotin, hydroxocobalamin (source of vitamin B12), niacin, riboflavin, thiamin HCL. Amino acids: methionine (dl-methionine), L-Lysine, taurine. Trace elements: calcium chloride, potassium iodide, ferrous sulfate, manganese sulfate, magnesium carbonate and zinc sulfate.
