

Dymax IQ3 Mini Acrylic Tank

DYMAX IQ3 MINI ACRYLIC TANK

An interesting and innovative fish keeping equipment over the past year. Combining creativity with expertise, we produce truly unique product whilst focusing on complete mini aquarium necessity. Each installation is handmade from the highest quality acrylic to your requirements. The new Dymax IQ3 mini acrylic tank come with a full set of accessories, including a light unit, filtration system and detailed instructions on how to use this "Easy To Maintain" aquarium.

Advantages:

- Only approximately 48% the weight of the glass.
- Compact in size and easy maintenance.
- Stronger, clearer and safer than glass.
- Has invisible sealing compound on all edges.
- Has no sharp edge.
- Can be polished over light scratches.
- More impact resistant.
