

Hailea - Low power multifunction immersible pump series

â€¢ Compact, low power consumption & high efficiency.

â€¢ Operate stably, silently and without heating.

â€¢ Adopts high quality resin to seal the winding for safety use.

â€¢ Rotor / impeller assembly is easy to remove and convenient to clean.

Model: BT200B Product Description:

Power: 3W Voltage: 110-120/220-240V Frequency: 50/60Hz Flow: 200L/H Max Jet: 200L/H

0.65M Size: 52mm—36mm—55mm

Model: BT700B Product Description:

Power: 10W Voltage: 110-120/220-240V Frequency: 50/60Hz Flow: 690L/H Max Jet: 1.25M Size: 115mm—75mm—87mm
