Ocean Nutrition - Betta Shakerz

Betta Shakerz Product Description:

Betta Shakerzâ,¢ are a novel idea in feeding your Betta. These collectible fish shaped feeders present a great value. They have a controlled feed dispensing system and are available in several hand painted colors. They are self-standing and look great next to your bowl at home or in the office.

The five grams of nutritious food inside each Betta Shakerzâ,¢ is an extension of Ocean Nutrition's expertise in formulating fully nutritional diets. Treat your pet to our nutritious diet and you will see the difference!

Betta Shakerzâ,,¢ are a unique product inside and out. It reinforces the innovative image that Ocean Nutrition has established in the marketplace for the last quarter century.

Important Note: Do not accidentally leave Betta Shakerzâ,¢ too close to your Betta`s home as extended periods of "play fighting" could cause undue stress to your fish. Not recommended for children under the age of three.

Available Sizes: 5grÂ
